## **RESOLUCIÓN DEL DIRECTOR GENERAL DE TRABAJO POR LA QUE SE CONSTATA LA FUERZA MAYOR DERIVADA DEL COVID-19 COMO CAUSA DE LA SUSPENSIÓN DE CONTRATOS DE TRABAJO Y REDUCCIÓN DE JORNADA.**

Teniendo en cuenta los siguientes

### **ANTECEDENTES DE HECHO**

**Primero.-** Constan en este Centro Directivo las solicitudes formuladas por la representación de las empresas relacionadas en el Anexo interesando la suspensión de los contratos de trabajo y/o reducción de jornada por fuerza mayor como consecuencia de la declaración del estado de alarma (Real Decreto 463/2020).

**Segundo.-** Consta, asimismo, documentación anexa a las citadas solicitudes.

A estos hechos le son de aplicación los siguientes

### **FUNDAMENTOS DE DERECHO**

**Primero.-** La competencia para conocer y resolver el presente expediente le viene atribuida a la Dirección General de Trabajo en virtud de lo establecido en el artículo 18.2 d) del Decreto 9/2020, de 20 de febrero, por el que se aprueba el Reglamento Orgánico de la Consejería de Economía, Conocimiento y Empleo (BOC n.º 44, de 4 de marzo de 2020).

**Segundo.-** El estado de alarma para la gestión de la situación de crisis sanitaria ocasionada por el COVID-19, aprobado por Real Decreto 463/2020, de 14 de marzo (BOE N.º 67, de 14 de marzo de 2020), complementado por el Real Decreto-Ley 8/2020, de 17 de marzo, de medidas urgentes extraordinarias para hacer frente al impacto económico y social del COVID-19 (BOE n.º 73, de 18 de marzo de 2020), establece medidas de limitación de circulación de personas, así como medidas de contención tanto en el ámbito educativo y de la formación (suspensión de la actividad educativa presencial en todos los centros, incluida la enseñanza universitaria) como en el ámbito de la actividad comercial, equipamientos culturales, establecimientos y actividades recreativas, actividades de hostelería y restauración, y otras adicionales (suspensión de apertura al público de locales y establecimientos minoristas, museos, bibliotecas, etc.), estableciendo en el Anexo de dicho Real Decreto una relación de equipamientos y actividades cuya apertura al público queda suspendida. Asimismo, el cierre de fronteras para luchar contra la expansión de la pandemia del coronavirus afecta de manera directa y sustancial a sectores estratégicos de la economía española, y muy especialmente al sector de la hostelería.

Resulta evidente el impacto de estas medidas en el ámbito laboral, pues nos encontramos ante lo que la doctrina denomina fuerza mayor impropia o factum principis, esto es, la decisión del poder o de la autoridad pública imprevisible e inevitable, o bien, previsible pero inevitable, que recae en la esfera de la autonomía privada dificultando o imposibilitando el cumplimiento de las obligaciones asumidas por las partes.

Por otra lado, la pandemia generada por el COVID-19 y su incidencia en todos los ámbitos de las relaciones humanas, incluidas, por supuesto, las relaciones interprofesionales y laborales, permite concluir para todas aquellas actividades no incluidas en el Anexo del Real Decreto 463/2020 que nos hallamos ante un supuesto de fuerza mayor asimilable a cualquier catástrofe natural, como así parece deducirse del artículo 22 del citado Real Decreto-Ley 8/2020.

**Tercero.-** Asimismo, de conformidad con la Orden SND/310/2020, de 31 de marzo, que desarrolla el artículo 1 del Real Decreto-ley 9/2020, de 27 de marzo, los centros, servicios y establecimientos sanitarios recogidos en el Anexo de la citada Orden **deberán mantener su actividad, pudiendo únicamente proceder a reducir o suspender la misma parcialmente, en los términos del art 22 del Real Decreto-Ley 8/2020, de 17 de marzo, de medidas urgentes extraordinarias para hacer frente al impacto económico y social del COVID-19 (BOE n.º 73, de 18 de marzo de 2020).**

En su virtud, vistos los preceptos legales citados y demás concordantes que le sean de aplicación,

## RESUELVO

I.- Constatar la existencia de la fuerza mayor alegada por las empresas mencionadas en el Anexo de la presente resolución, correspondiendo a éstas la decisión sobre la aplicación de las medidas de suspensión de los contratos de trabajo y/o reducción de jornada, que surtirán efectos hasta que por el Gobierno de la Nación se dicte una nueva disposición que ponga fin al estado de alarma. Asimismo, **la empresa deberá dar traslado de dicha decisión a los representantes de los trabajadores y tramitará las prestaciones de los trabajadores/as incluidos en el ERTE mediante las instrucciones, procedimientos y modelos que el SEPE indique.**

II.- Notificar la presente resolución a las partes interesadas, haciéndoles saber que contra la misma, que agota la vía administrativa, podrán formalizar demanda ante los Juzgados de lo Social, en el plazo de DOS MESES desde su notificación.

### **Notas y advertencias adicionales**

**Uno.-** Se hace constar que los efectos de la presente resolución son incompatibles con cualesquiera formas de prestación por parte de los trabajadores afectados, bien sea de forma presencial o a través de fórmulas alternativas como el trabajo a distancia (teletrabajo). A tal efecto, se recuerda que estas medidas deben ser prioritarias frente a la cesación temporal o reducción de la actividad, a tenor de lo previsto en el artículo 5 del Real Decreto-ley 8/2020, de 17 de marzo.

**Dos.-** También se advierte de forma expresa a los interesados del contenido de la disposición adicional segunda del Real Decreto-ley 9/2020, de 27 de marzo, por el que se adoptan medidas complementarias, para paliar los efectos derivados del COVID-19 (BOE del 28), que por su especial relevancia se transcribe íntegramente a continuación:

**“Disposición adicional segunda. Régimen sancionador de prestaciones indebidas.**

***1. En aplicación de lo previsto en el texto refundido de la Ley sobre infracciones y Sanciones en el Orden Social, aprobado por el Real Decreto Legislativo 5/2000, de 4 de agosto, las solicitudes presentadas por la empresa que contuvieran falsedades o incorrecciones en los datos facilitados darán lugar a las sanciones correspondientes. Será sancionable igualmente la***

**conducta de la empresa consistente en solicitar medidas, en relación al empleo, que no resultaran necesarias o no tuvieran conexión suficiente con la causa que las origina, siempre que den lugar a la generación o percepción de prestaciones indebidas.**

**2. El reconocimiento indebido de prestaciones a la persona trabajadora por causa no imputable a la misma, como consecuencia de alguno de los incumplimientos previstos en el apartado anterior, dará lugar a la revisión de oficio del acto de reconocimiento de dichas prestaciones. En tales supuestos, y sin perjuicio de la responsabilidad administrativa o penal que legalmente corresponda, la empresa deberá ingresar a la entidad gestora las cantidades percibidas por la persona trabajadora, deduciéndolas de los salarios dejados de percibir que hubieran correspondido, con el límite de tales salarios.**

**3. La obligación de devolver las prestaciones prevista en el apartado anterior, en cuanto sanción accesoria, será exigible hasta la prescripción de las infracciones referidas en el Texto Refundido de la Ley de Infracciones y Sanciones en el Orden Social que resulten aplicables, de conformidad con las reglas específicas y de vigencia expresa previstos en este real decreto-ley.**

**Tres.-** A los efectos de lo indicado en el apartado anterior, se recuerda que la disposición adicional cuarta del mencionado Real Decreto-ley 9/2020, de 27 de marzo, contempla medidas de colaboración entre la entidad gestora de las prestaciones por desempleo (SEPE) y la Inspección de Trabajo y Seguridad Social, así como entre esta última y la Agencia Estatal de Administración Tributaria y las Fuerzas y Cuerpos de Seguridad del Estado, todo ello con el fin de llevar a cabo “la comprobación de la existencia de las causas alegadas en las solicitudes y comunicaciones de expediente temporales de regulación de empleo basados en las causas de los artículo 22 y 23 del Real Decreto-ley 8/2020, de 17 de marzo.”

**Cuatro.-** Finalmente, también se advierte a la empresa que, de conformidad con lo establecido en la disposición adicional sexta del Real Decreto-ley 8/2020, de 17 de marzo, las medidas extraordinarias en el ámbito laboral previstas en dicha norma estarán sujetas al compromiso de la empresa de mantener el empleo durante el plazo de seis meses desde la fecha de reanudación de la actividad.
